2017 NAPA VALLEY ESTATE CABERNET SAUVIGNON

Opulent red hues present in this wine. Blackberry, black currant, and cassis combine with dark cocoa and toasted barrel complexities. Flavors of plum, raspberry, and blackberry compote mingle with attractive elements of mocha and toasted barrel maturation. A structured yet elegant cabernet sauvignon.

"A firm, silky red with soft, tight tannins that nicely frame this juicy and delicious red with currant and berry character. Not the biggest wine, but thoroughly delicious already. Drink or hold."

"The value-priced 2017 Cabernet Sauvignon Estate is also well done in this vintage, and it has to be one of the better efforts under \$50. Lots of mulled dark fruits, dried herbs, lead pencil, and earth emerge from this plump, spicy, character-filled effort. It's well worth drinking and will keep for a decade."
